

Covid-19 Update 13 July 2020

To our patients and families. The Modern Orthodontics team look forward to seeing you at your next appointment. The health and wellbeing of our patients and staff are always our first priority and we will continue to implement the recommended safety precautions as directed by government health authorities.

Please advise us if:

- You feel at all unwell so your appointment can be rescheduled for you
- If you have been in contact with anyone suspected of being exposed to Covid 19.

Your appointment will be rescheduled until you undertake necessary Covid testing

We ask you to:

- consider wearing a mask as recommended however not mandatory
- attend appointments alone unless under the age of 18 to ensure we can more easily abide by social distancing measures
- attend your appointments on time. Arriving early or late can also impact our ability to abide by social distancing measures

We will ensure that:

- Social distancing protocols remain in place in our clinic
- We continue our stringent infection control processes
- We are taking extra measures such as measuring temperature and providing hand sanitiser for everyone attending the clinic, keeping indoor air fresh and clean with medical grade air purifiers and disinfecting the waiting areas daily with UVC light and Ozone technology.

For more information and latest updates from the Victorian Government please click here (<https://www.dhhs.vic.gov.au/victorias-restriction-levels-covid-19>) Please contact our team on 9480 3188 (Preston)/ 9887 9937 (Mt Waverley) or info@modernorthodontics.com.au / mt.waverley@modernorthodontics.com.au

See you soon! From the team at Modern Orthodontics. 😊
